2025**

Write Out Loud
presents
SKribe
Youth Poetry
Festival 2025

When

July 3rd-6th 2025

Where

The Remai Modern
Saskatoon, SK

What

Join Write Out Loud for a 4 day celebration of youth poetry across the prairies. Youth poets (aged 14-25) from Saskatchewan, Alberta & Manitoba are invited to participate in SKribe.

The festival will provide spaces for youth poets to perform alongside, learn from and build community with other young writers across the prairies through a series of workshops, open mics, feature performances by some of the prairie's best poets and even a small underground poetry slam.

Cost

The festival is **free** for registered youth to attend. We can offer a limited number of small travel/lodging bursaries for groups of traveling youth poets.

Register

Registration will open for youth poets in April and the form can be found on our soon-to-arrive website

Any traveling youth poet that is still a minor is required to have a parent or guardian that accompanies them to the festival. Groups or teams of youth poets from a central location can have a singular guardian/coach for their crew.
